2 800 quality tests carried out each year through internal and external laboratories with the aim of verifying and checking the technical and qualitative characteristics of the products in our collections.

3 Our international distribution network reaches 86 countries around the world. We have production plants in Italy and in the Czech Republic, commercial offices and logistic offices in the United States and Great Britain. We rely on the collaboration of more than 270 people. The international vocation has always been in our DNA.

1 La nostra «mission» è costituita da tre pilastri: costruire rapporti duraturi e di valore con i nostri rivenditori; distribuire nel mondo i prodotti nati dal nostro know-how, dalla passione e dall'esperienza; innovare costantemente sia i nostri prodotti che i nostri processi aziendali.

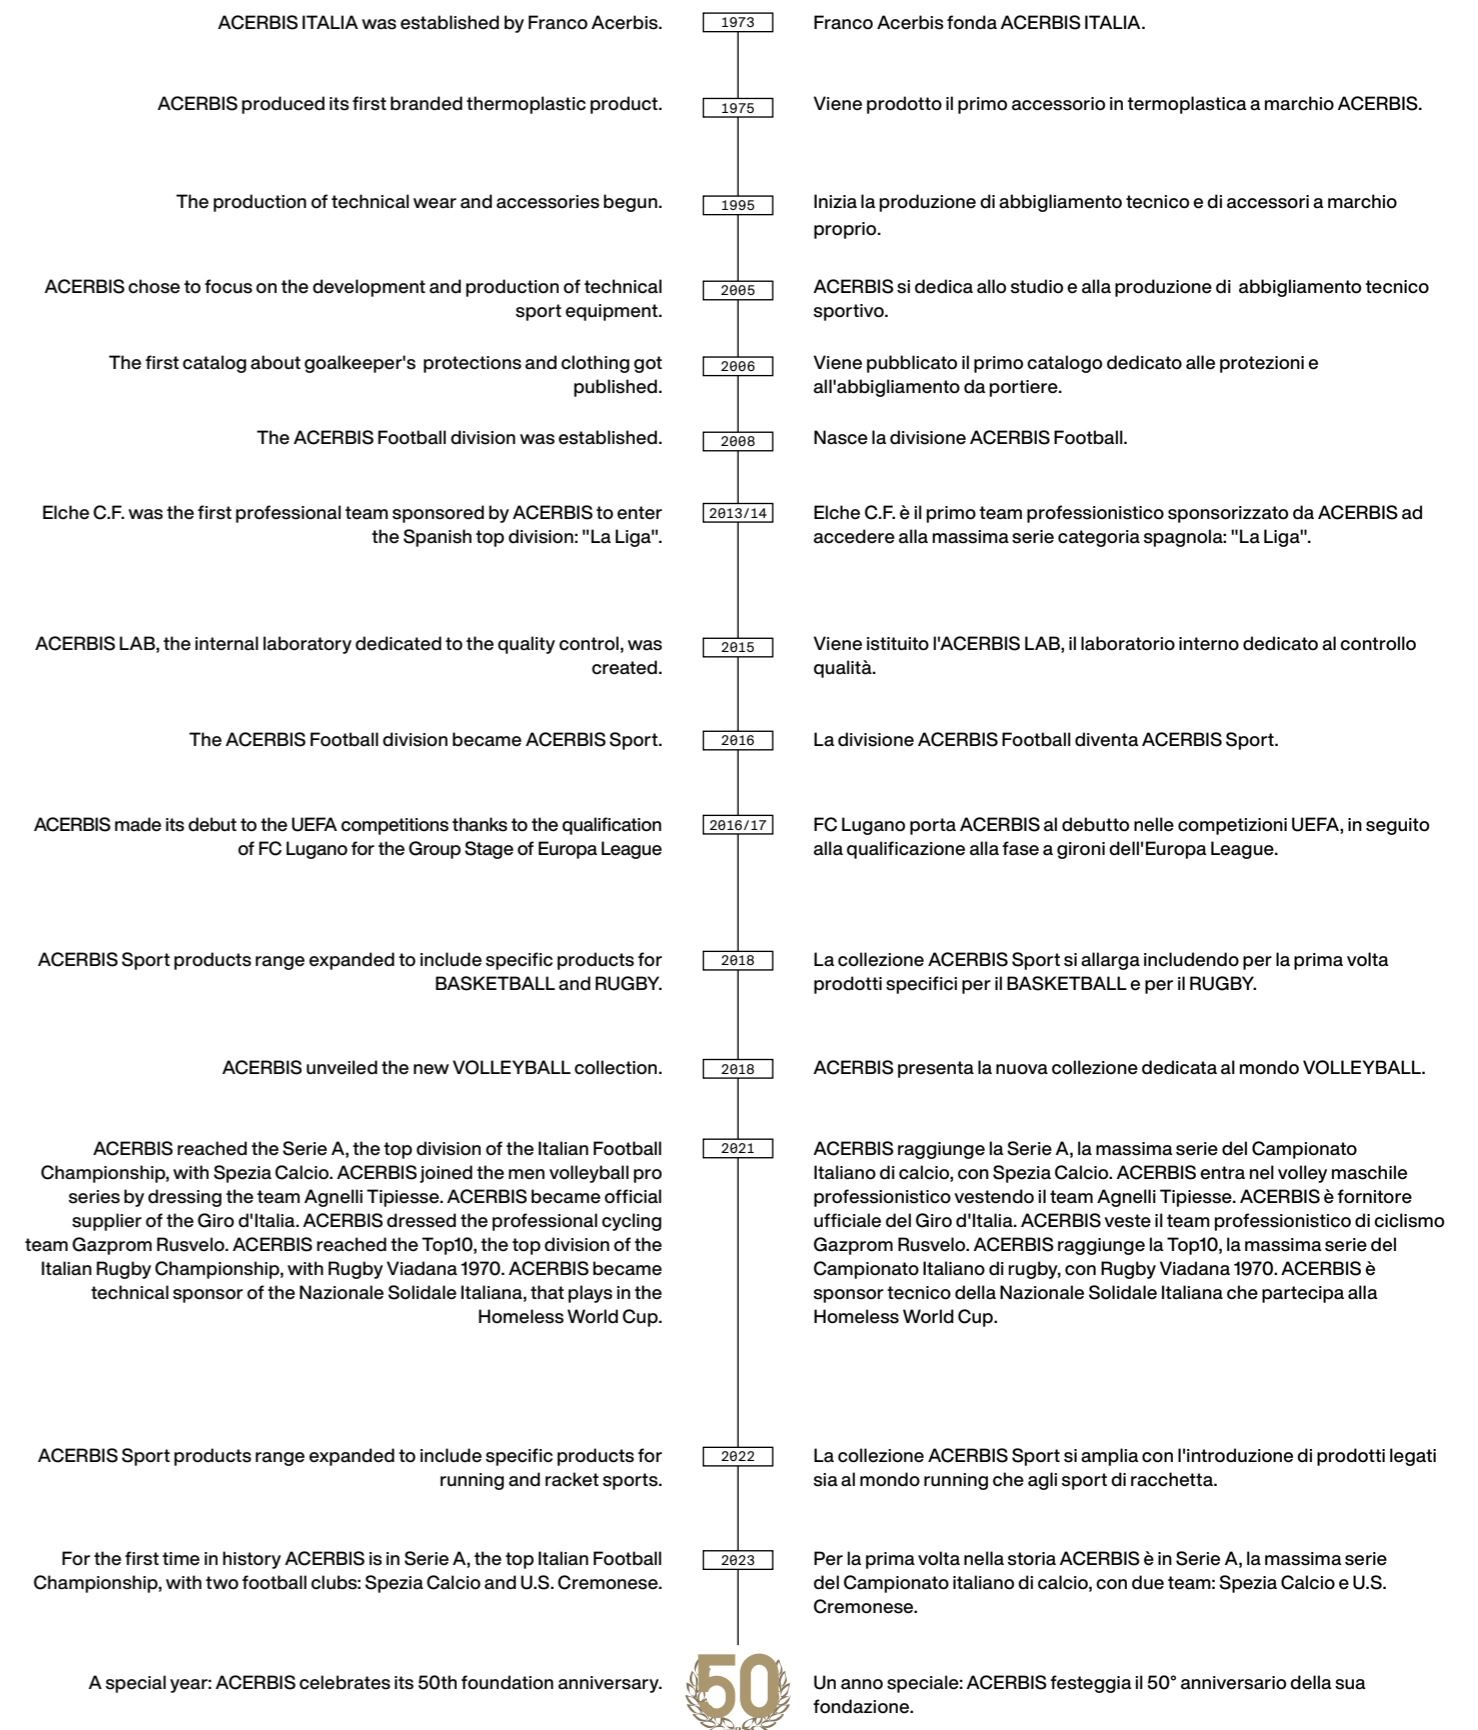

2 800 test qualitativi effettuati ogni anno attraverso laboratori interni ed esterni, con l'obiettivo di verificare e controllare le caratteristiche tecniche e qualitative dei prodotti e delle nostre collezioni.

3 La nostra rete distributiva a livello internazionale raggiunge ben 86 paesi nel mondo. Possediamo stabilimenti produttivi in Italia e in Repubblica Ceca, uffici commerciali e sedi logistiche negli Stati Uniti e in Gran Bretagna. Ci avvaliamo della collaborazione di oltre 270 persone.
